Show Perseverance: STARS Focus for

April This month students will be learning about showing perseverance. Perseverance is not giving up. It is persistence and tenacity, the effort required to do something and keep doing it till the end, even if it's hard.

Also, to work on our Growth Mindset, our April Mantra at school is "There's a difference between not knowing and not knowing yet!"

Weather is a Surprise This Time of Year

This time of year, there are lots of puddles that lead to wet footwear, socks, and other clothing. Please send in extra clothing for your children. Remember to dress your child in layers so they are prepared for the weather.

Have You or Your Neighbor Registered for Kindergarten for Fall 2026?

If you or your friend's child will be starting Kindergarten in the fall and they have not yet registered, please call the school and we can direct you on how to do so.

Save the Date for our Welcome to Kindergarten Event! On May 29th there will be *no school for our current Kindergarten* students as we will be hosting our new to K students and families. If you have a new Kindergarten student starting this fall, please join us at 1:00 PM for a fun and informative event.
